The main objective of this camp was to make healthcare services easily accessible to people from all sections of society and to create awareness about Homeopathic and Ayurvedic treatment. During the camp, both Homeopathic and Ayurvedic treatment facilities were made available, where patients were provided with proper guidance and treatment according to their health issues.

A total of **168** patients were examined in this camp. Experienced doctors examined the patients, provided advice according to their problems, and distributed necessary **Homeopathic** and Ayurvedic medicines free of cost. The camp was attended by **Dr. Kashyap Rajyaguru, Dr. Dilip Savani, Dr. Jaypalsinh Gohil, Dr. Manish Makwana, Dr. Sameer Panara, Dr. Vandana Mori** and **Dr. Beena Tokradiya. Rameshbhai, Dharmeshbhai** and **Rakeshbhai** made significant contributions in medicine distribution.

Sneha Foundation expressed heartfelt gratitude to the Ayush Department, all the doctors, and supporters who contributed to making this program successful.

LEARNING CENTER

During this month, the annual examinations of the children under the Learning Center of Sneha Foundation were successfully conducted. The main objective of these examinations was to evaluate the educational development of the children and assess the knowledge they gained throughout the year. During the examinations, enthusiasm and seriousness were observed among the children. All students participated regularly in the examinations, and proper guidance and arrangements were provided by the teachers.

This helped in understanding the progress of the children and determining the necessary direction for further improvement in the future.

N. P. MEHTA PRIMARY SCHOOL REPORT

During April 2026, annual examinations and related activities were organized at N. P. Mehta Primary School managed by Sneha Foundation.

During the summer camp, children and teachers participated in various activities such as science experiments, different games, toran-making, and memory games.

Various activities were successfully completed with the aim of developing creativity, self-confidence, discipline, and team spirit among the students. During the program, an atmosphere of joy and enthusiasm was observed among the students. Teachers provided guidance and encouragement to the students.

OVERALL DEVELOPMENT PROGRAM

● HARMFUL EFFECTS OF PACKAGED FOOD

On **11 April 2026**, under the holistic development activities at Sneha Foundation, children were educated about the **harmful effects of consuming packaged food**. During this activity, children were informed about the health risks associated with packaged food products. Packaged foods contain excessive amounts of salt, oil, sugar, and preservatives, which are harmful to health. Regular consumption of such food can lead to obesity, dental problems, digestive issues, and other health-related problems.

Children were informed about the harmful effects of packaged food and were also made aware of how beneficial freshly prepared homemade food is for the body. In addition, children were educated about the importance of fresh and nutritious food and motivated to adopt healthy eating habits. This activity proved to be very useful and effective in creating awareness among the children.

● AMBEDKAR JAYANTI

On **14 April 2026**, an inspirational rally was organized at Sneha Foundation on the birth anniversary of **Dr. Bhimrao Ramji Ambedkar**. On this occasion, great enthusiasm and excitement were observed among the children of the institution. During the rally, children raised various slogans and attempted to spread awareness about equality, education, and rights in society. The children carried banners and placards while chanting slogans that highlighted the ideals of Babasaheb.

The main objective of this program was to increase social awareness among children and inspire them to adopt the ideals of Dr. Bhimrao Ramji Ambedkar in their lives. At the end of the program, the members of the institution expressed heartfelt gratitude to all the children and supporters who participated in making the event successful.

● WORLD BOOK DAY

On **23 April 2026**, on the occasion of **World Book Day**, children at Sneha Foundation were informed about various types of books. During the program, information was provided about the works of William Shakespeare, our religious scriptures, and the famous book Wings of Fire by APJ Abdul Kalam.

Special emphasis was placed on the need to develop reading habits among children. It was explained that books are a major source of knowledge and inspiration in life. Students were encouraged to read different types of stories, biographies, and educational books.

In addition, children were guided about the use of the library and advised to dedicate some time every day to reading. The children actively participated in the activity and enjoyed learning about new subjects. The main objective of the program was to develop reading habits among children and increase their interest in books.

● SOCIAL MEDIA AWARENESS

On **25 April 2026**, a **Social Media Awareness** program was organized for children at Sneha Foundation under the holistic development activities. During the program, children were informed about what social media is and how to use it properly.

Children were informed about the benefits of social media, such as gaining educational information, learning new things, and staying connected with friends. They were also made aware of the disadvantages, including wastage of time due to excessive use, the spread of misinformation and risks related to personal data security.

Along with this, children were encouraged to use social media responsibly and safely. The children participated enthusiastically in the program and gained useful knowledge.

FESTIVAL CELEBRATIONS

● CELEBRATION OF HANUMAN JAYANTI

On **2 April 2026**, on the occasion of **Hanuman Jayanti**, children at Sneha Foundation were given detailed information about the life of Lord Hanuman, his bravery, devotion, and good values.

Children were educated about the religious and cultural significance of Hanuman Jayanti, and efforts were made to instill good values in them. During the program, children participated enthusiastically and expressed their curiosity through question-and-answer sessions. Along with this, a spiritual atmosphere was created through the recitation of Hanuman Chalisa and devotional songs.

The children were inspired to become fearless, devoted, and disciplined like Lord Hanuman.

● CELEBRATION OF PARSHURAM JAYANTI

On **18 April 2026**, a special program was organized at Sneha Foundation on the occasion of Parshuram Jayanti. On this occasion, children of the institution participated enthusiastically in various exercises and yoga sessions.

During the program, detailed information was provided about the physical and mental benefits of yoga, such as its importance in maintaining physical fitness, its role in keeping the mind peaceful, and the need to adopt yoga in daily life. Children were motivated to practice yoga regularly so that they could lead healthy and active lives.

The main objective of this program was to create awareness about health among children. The entire program was completed successfully.

HELP CENTER

● RATION KIT DISTRIBUTION

Sneha Foundation extended support to a differently-abled family with ration kits as part of its humanitarian and service-oriented activities. Keeping in mind the daily needs of the family, food grains and essential items were provided. The aim of the Foundation is to support needy families and bring some relief and happiness into their lives.

ADOLESCENCE PROJECT

Under the **Adolescence Project** being implemented by the Foundation, **Dr. Hardikbhai Khatri** distributed **sanitary pads** to a total of **142** girls. Due to the regular implementation of this project, all the girls associated with the institution have now started using sanitary pads, which has helped reduce diseases among women and increased awareness among the girls.

OTHER ACTIVITIES FOR CHILDREN

- The Sneha Foundation distributes necessary things to needy children along with education.
